

NICOLA RYAN, MB, BCH, BAO

*ABERDEEN ROYAL INFIRMARY
UNITED KINGDOM*

SPECIALTY: INTERVENTIONAL CARDIOLOGY

Nicola Ryan is a Consultant Interventional Cardiologist in Aberdeen Royal Infirmary and the University of Aberdeen, Scotland. She received her medical degree from the Royal College of Surgeons in Ireland (2008), followed by Internal Medicine (2011) and Cardiology training (2015) through the Royal College of Physicians in Ireland. Thereafter, she completed a prestigious Interventional Cardiology and research fellowship in Hospital Clínico San Carlos, Madrid (2017).

Dr. Ryan's interests are primarily in the role of intra-coronary physiology and imaging, which she routinely applies in her clinical practice as well as in the clinical interventional research she leads in Aberdeen. She engages as a reviewer for several high impact journals. Dr. Ryan is a member of the EuroPCR Scientific Committee and the PCR NextGen group, as well as a member of the European Society of Cardiology fellowship committee.
